#### Important notes

- \* Please see to it that your presentation does not exceed 45 minutes.
- \* Each presentation should address the following issues:
  - Research progress within WP (related to the reporting period **1-8-2015 to 1-2-2017** and the overall project objectives).
  - Main achievements.
  - Deviations and actions taken (if applicable).
  - Report on each due deliverable: Achieved 'yes or no'.  
Short description of research on the deliverable and reference to relevant publication(s).
  - Dissemination activities – exploitation of results/foreground (see next page for more details).
- \* Each presenter is responsible for gathering information from other partners involved in the WP. The input provided during this meeting will be the basis for the mandatory second Periodic Report and Final Report for the European Commission.

## **Dissemination and exploitation (period 1-8-2015 to 1-2-2017)**

### **1. Dissemination activities**

- Publications (with EUROHEADPAIN acknowledgement).  
The publications are kept up-to-date on the EUROHEADPAIN website. No need to list them all on a slide. Last update is from 1-9-2016. A new update will be done shortly.
- Lectures and/or posters at scientific conferences / meetings (with EUROHEADPAIN acknowledgement)
- Outreach activities for lay public (e.g. patient organisations, school visits, interviews etc.)
- Involvement in other EU-projects
- Memberships
- Honours / awards

### **2. Exploitation of results**

- Patents applications (confidential or public)
- Trademarks
- Registered designs, etc.
